

**ABERDEEN DOWNTOWN ASSOCIATION
Downtown Façade Grant Program Application**

Applying for: _____ Historic Façade (registered property)
_____ Historic-looking Project (non-historic property)

Application Process:

Applications must be submitted to the Aberdeen Downtown Association by 5:00 pm on February 1, 2010.

Supporting Information:

Application submittals shall include this application form along with the following:

- Floor plans
- Building elevations
- Historic photos of the building
- Project budget (including amount of private investment)
- Detailed description of proposed exterior changes
- Colors, materials, dimensions and other related specifications

Further supporting information may be requested at the discretion of the ADA Design and Appearance Committee. Such information shall be provided by the applicant.

Process:

The ADA Design and Appearance Committee will review all applications. The committee will review the plans and proposed improvement for each project to determine the overall consistency of the project with historic preservation principles. The committee will present recommendations for project selection to the Mayor at the end of March 2010. In reviewing and recommending projects in a competitive selection process, the Committee shall give the degree of potential economic enhancement the greatest consideration, followed by the type of land use proposed.

Location:

All projects participating in the program must be located within the official boundaries of the Historic Commercial District (Main Street) and/or the Business Improvement District (30-block area of downtown).
